JOINT CONFERENCE

# BIO2022

Bioscience, Big Data & The 4<sup>th</sup> Industrial Revolution

**24-27 APRIL 2022**

**STIAS Conference Centre**  
Marais Rd, Mostertsdrift, Stellenbosch

It is our pleasure to welcome you to the joint HYBRID conference of the South African Genetics Society and the South African Society for Bioinformatics: BIO2022; in the heart of the Cape Winelands. South African Genetics and Bioinformatics Societies thought it opportune to bring together researchers from across the spectrum under a central theme: Bioscience, Big Data & the 4<sup>th</sup> Industrial Revolution to facilitate dialog, networking, brainstorming and cross pollination of ideas.

The conference venue has been changed to STIAS - Stellenbosch Institute for Advance Study "A creative space for the mind". **We look forward to hosting and engaging you there!**

The Programme committee warmly invites you to submit an abstract for an oral or poster presentation. *(For instructions please check the website)*
